

DRIVING DIRECTIONS TO THE ALPINE CHALET (located in HEIDI'S apartments)

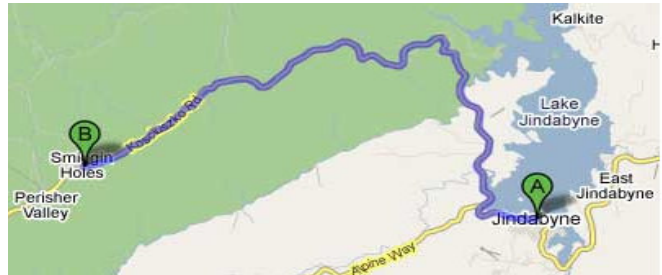

These directions start from the township of Jindabyne, the gateway to the NSW Snowy Mountains.

Note: All non 4wd vehicles MUST carry snow chains when inside the National Park. These can be rented in Jindabyne.

- 1) From Jindabyne, follow signs to the snowfields, continuing along Kosciusko Road towards Perisher Valley and Charlotte Pass.

Note: Do NOT turn left on the Alpine Way as this leads to Thredbo Resort.

- 2) After approximately 30 kilometres you will see a sign for Smiggin Holes. A right hand turning lane is approximately 20 metres after this sign.

- 3) Turn right at this sign and follow the road up the hill towards the public car park.

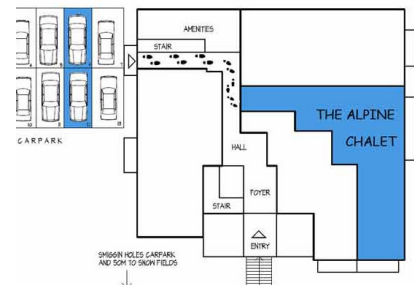

The Alpine Chalet will be on your right hand side located in the Heidi's apartments building.

Your private car park is located just past the building, adjacent to it.

Note: During busy periods, stewards may try to direct you to the public car park. Advise them you have parking at Heidi's.

- 4) After parking your car, you can enter the building via the front entrance, or the side entrance by using the security code provided.

Note: If you arrive before 3pm you may have to park in the public parking area until your private car park becomes available. Contact the on site manager on 0457 287 771 if you arrive early.

- 5) Once inside the building, your skis/snowboards must be stored in the secure lockers provided (locker number 3) and not taken into the apartment. The same security code will then open the front door of the apartment.

- 6) For those with GPS devices, the co-ordinates are:
